Albright writes from Deland, Florida, that he arrived safely and is enjoying the beautiful weather to the fullest extent and likes the South fine.—In the death of Mr. H. L. Tharp at his home in Junction City on Wednesday afternoon, April 28 after a four months illness of cancer. We bow in humble submission to Him who from the crucible of eternity forms our lives.

In the richness of living and in the fullness of usefulness, perhaps when the tide of life was at its highest, death, unrelenting death, claimed him, and just as "the smallest bark tossed on life's tumultuous ocean will leave a tract behind for evermore," so the influence of this man is that of a soul who has caught the meaning of the Cross. Mr. Tharp was born in Marion County July 20, 1868, where he lived until about the age of eighteen, afterward coming to Brodhead where he remained until he went to Boyle County some few years ago and made his home in Junction City where he held a responsible position with the L. & N. and Southern railroads. By strict application to the laborious routine of duty, he endeared himself to his employers. For a number of years he has been a member of the Christian church where he loved to go, and at the time of his death was deacon of Christian church at Junction City. He was a member of the fraternities known as Masons, MacCobees and Woodman of the World. He was indeed a very substantial citizen and a kind and devoted husband and father, and just at this time in his life it is hard to understand why he should be taken, yet we know it is best, since God willed it so. Besides his wife and two daughters, Mrs. Douglas Roberts, of Fleming, and Mrs. Richard Albright, of Brodhead, and son, Gravely Tharp, he leaves two brothers, Mr. Hope Tharp, of Wylam, Ala., and Mr. Charlie Tharp, of Campbellsville, and three sisters, Mrs. George Vermillion, of Danville, Mrs. Alson

## THE DAY IS DONE

Come, read to me some poem,  
Some simple and heartfelt lay,  
That shall soothe this restless feeling,  
And banish the thoughts of day.

Such songs have power to quiet  
The restless pulse of care.  
And come like the benediction  
That follows after prayer.

And the night shall be filled with music,  
And the cares that infest the day  
Shall fold their tents, like the Arabs,  
As silently steal away.

—Longfellow.

Tharp, of Lebanon, and Mrs. Sam Tatman, of Riley's, all of whom attended the burial, except Mr. Hope Tharp who was unable to get here. To the grief stricken family we commend them to Him who is able to take the dark cloud that hangs so heavily over them and paint thereon the most beautifully lined rainbow. In the care of Him who clothes the body of the field and guides the wondering flight of the bird we leave them. After a short funeral service on Friday morning at the residence by the Rev. C. G. Purvis, of Sylsby, the remains were brought to Brodhead and taken to the home of Mrs. Tharp's sister, Mrs. L. R. Cass and after being viewed by his many Brodhead friends and relatives were taken to Piney Grove cemetery and laid to rest with Masonic honors. Those accompanying the remains here were: Wm. Trotter, Will Reynolds, A. B. C. Dimond, Dr. and Mrs. L. R. Steele, Earl Cosby, of Junction City; Mr. and Mrs. John Cress, Mr. and Mrs. George Vermillion, of Danville; Mr. and Mrs. Sam Tatman, of Riley's; Mr. and Mrs. Alson Tharp, of Lebanon, Chas. Tharp, of Campbellsville; Mr. and Mrs. Earl Tharp, of Crestwood, Frank Ward, of Lagrange; Mr. and Mrs. George Hardin, of Louisville; Mrs. B. L. Elder, Mrs. L. B. Hill and little son, James Butler, of Stanford.

In 1885 and some years following 1887, there were shipped from Mt. Vernon to Louisville more than 400 car loads of tanbark and some to Cincinnati.

The first legal hanging to take place in Rockcastle was in 1841 when Johnathan Davidson was executed for stabbing Henry Langford to death on streets of Mt. Vernon.

Within the three years following 1877, there were shipped from Mt. Vernon to Louisville more than 400 car loads of tanbark and some to Cincinnati.

In 1885 and some years following 1887, there were shipped from Mt. Vernon to Louisville at \$1 per hundred. Potatoes 50 cents on bushel.

Mr. Vernon has had the following named post-masters: Joseph Reynold; 1854, Col. Richard G. Williams; Charles Kirtley; George Severance; J. W. Moore; S. L. Whitehead; Mrs. M. E. Brown; Joshua Borcig; Mrs. Cleo W. Brown; Mrs. Ella Baker; Walter B. Smith; Mrs. Anna E. Miller; Mrs. Cleo W. Brown.

Between the years 1888 and '93 the writer was sent with telegraph outfit, to see bad train wrecks that occurred between Rowland and Corbin and sometimes to points beyond.

The making of cedar vessels, such as pails, buckets, churns, tubs, piggins and keelors was once an important business followed by numbers of Rockcastle people.

Gunpowder was manufactured for many years at two or more "mills" in or near Mt. Vernon. One of these establishments was operated by James McNiel, just a little north of U. G. Baker's Newcomb Avenue residence. Saltpeter, one of the ingredients used in its make, was secured from Great Salt Peter Cave and places in Rockcastle.

Sixty years ago thousands of native logs and other thousands from the bluegrass counties were felled in the Rockcastle wilderness woods, on the mast (acorns). In those days the citizens raised more meat than they needed and sold bacon in the bluegrass. Deer, bear and turkeys were to be found in good numbers.

Will Cummings, of Maretburg, brought the first phonograph to Mt. Vernon. It had no horn and to hear the machine in oper-

HOORAY! THE RED WAGONS ARE COMING.

The down town billboards and dead walls are proclaiming with all the eloquence of the pictorial art that Sangers Greater European Shows will visit Mt. Vernon Tuesday, May 18. The announcement is hailed with delight by the juvenile element while some of the "older boys" are looking about for their stray nephews and nieces, saying they will probably have to go and carry the children to see the animals. But deep down in their hearts they know they would not miss the big show if there were not a small boy within a thousand miles of Mt. Vernon on show day.

Although the Great Sanger Show is one of the oldest and most favorable known of all "white tops" attractions, the big show is visiting this section of the state for the first time. The show will come here from Lebanon aboard its own special train of railroad cars. Many new and novel features are apart of this season's program. Among them being the Berry family of acrobats; the Siegrist-Silbon troupe of daring intrepid aerialists; the Silverton trio, dancers on a lofty double wire; the Nelson family, gymnasts; the Aerial Christosens and the St. Leons. In addition there will be seen Prof. Sangers collection of educated Shetland ponies, monkeys and dogs.

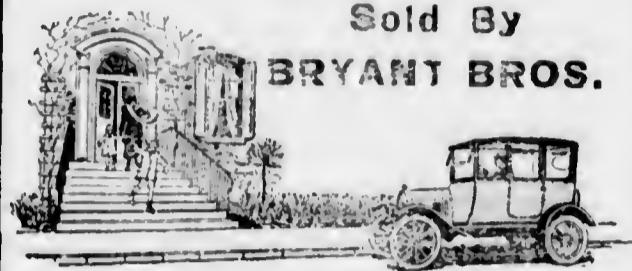

There will be two performances at 2 and 8 p.m., the doors opening an hour earlier to permit a concert of popular and operatic music by Prof. Fred Melvin and his military band. A downtown concert will be given at noon followed by a series of free exhibitions on the grounds.

Mr. Abe Adams, one of this county's very best citizens died at his home here Tuesday. Mr. Adams has been suffering for several weeks with pneumonia. It was thought that he would recover until a sudden change came about Sunday. He was born and raised near this town and is survived by a wife and four children: Mrs. Ben Purcell, of this city; Mrs. Victor Francis, of Leavenworth Junction; Will and Roscoe Adams who are at home, two brothers and a sister.

**Ford**  
THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

## SALVATION ARMY IN PRISON WORK

Adjutant James Thompson Works  
Army Prisoners in Reformatories  
at Frankfort and Eddyville.

One of the most important departments of work conducted by the Salvation Army in Kentucky is that of Adj. James Thompson among the men and women in the state penal institutions. Adj. Thompson has been in charge of the Salvation Army corps at Frankfort and in connection with his labors has worked among the inmates of the Frankfort Reformatory and the state prison at Eddyville.

Great attention has been paid to the "Brighter Day League," a national organization of men and women prisoners fostered by the Salvation Army. Each member who joins the League is given a button to wear and a certificate of membership to hang on the wall of his cell. There are more than 900 members of the Brighter Day League in the Frankfort Reformatory and about 300 in Eddyville.

Adj. Thompson conducts a Bible class contest twice a year in the two prisons, continuing from six to eight weeks. Each contestant must stand and repeat from memory many passages of Scripture. There is keen rivalry among the contestants. Every Sunday the Adjutant spends many hours inside the prison walls, as well as on week days when his services can be utilized.

A prominent feature of Adj. Thompson's work is the care of needy families of prisoners who go to Frankfort to visit their relatives inside the prison walls or who seek to see the governor on pardon matters. Men, women and children often find in Frankfort, knowing no one and with little or no money. The welcome door of the Salvation Army Emergency Home is always open. The visitors are fed and given lodging and a ticket home. This is a part of the work funds for which are to be raised—May 10-20.

## KENTUCKY GIRL AT BOOTH HOSPITAL

Declares Her Life Was Saved at Sal-  
vation Army Memorial Hospital  
in Covington.

Not long ago a Louisville young woman was given up for dead by prominent physicians. They pronounced it cancer. Through the Salvation Army this young woman was taken to the Booth Memorial Hospital at Covington, conducted by the Salvation Army. For more than two hours leading surgeons of Covington and Cincinnati operated on this young woman while her faithful friend of the Salvation Army corps stood by to win her back to consciousness.

Today this young woman is alive and well and holds a fine position in a Cincinnati office. She declares that she owes her life to Booth Memorial Hospital, the surgeons and the faithful workers.

One object for which the Salvation Army's Home Service Appeal in Kentucky, May 10 to 20, is to be conducted is to raise money for an extension to this hospital so badly needed. Kentuckians in every part of the state are justified in giving to this fund because all Kentuckians are welcomed to Booth Memorial Hospital whether they have money or not. No person is turned away on account of a lack of funds.

Booth Memorial Hospital holds the record of caring for more charity patients than any other hospital in the United States. A training school is a part of the hospital work, and during the influenza epidemic many Salvation Army nurses were sent out into various sections of Kentucky and rendered valuable service.

## AMERICAN LEGION TO SALVATION ARMY

Kentucky Department Commander Ul-  
ric Bell in Strong Letter to All  
Legion Members.

Ulric Bell, department commander of the American Legion of Kentucky, in a recent endorsement of the Salvation Army, said:

"It will not be necessary for the American Legion to say to the former soldier that the Salvation Army is a good thing and deserves support. It is already well known that 'Johnny Buck' has learned to respect the 'Sally Ann' under a stress that has tried the souls of both. Soldiers of the Salvation Army shared in common, during the late war, the same risks and dangers faced by those who now make up the American Legion. It is the hope of the State Department of the Legion that the Salvation Army will meet with great success in its work and the conviction that 100 units of the American Legion in Kentucky will stand shoulder to shoulder with the Army in all good things."

The Salvation Army's Home Service  
Appeal is May 10-20.

## Equip Your Smaller Car With Goodyear Tires

If you own a Ford, Chevrolet, Dort, Maxwell or any other car using 30x3, 30x3½, or 31x4-inch tires, you can well take advantage of the high relative value built into all Goodyear Tires.

You can well do so because you can secure in the smaller Goodyear Tires the results of such skill and care as have made Goodyear Tires the preferred equipment on the highest priced automobiles of the day.

You can well do so because these smaller Goodyear Tires are easy to obtain, being produced at the rate of approximately 20,000 a day, and because their first cost usually is as low or lower than that of other tires in the same types and sizes.

Go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He supplies many other local owners of the smaller cars.

### Superior Chandler Features and the High-Priced Cars that use Them

One car, listing at \$2975, checks with Chandler in only one feature  
One car, listing at \$2685, checks with Chandler in only three features  
One car, listing at \$2400, checks with Chandler in only one feature

## URGE KENTUCKIANS ON IN BIG DRIVE

State Conference Held to Arouse Interest in Salvation Army Home Service Appeal, May 10 to 20.

In preparation for the final drive in the Salvation Army's Second Home Service Appeal, May 10 to 20, in Kentucky and other states east of the Mississippi river, a state conference of workers was held in Louisville on Wednesday.

ville, the state chairman, presided and the toastmaster was Ben S. Wastner, of Louisville, vice chairman and former national president of the Young Men's Hebrew Association. Governor Edwin P. Morrow, honorary state chairman, could not be present but sent a telegram giving his hearty endorsement and urging Kentuckians to leave no stone unturned to put Kentucky in the forefront of states in contributions. Governor James S. Cox of Ohio was also present from attending and sent a telegram of endorsement.

Prominent workers from all parts of the state pledged themselves to do their best. Prof. George Colvin, State Superintendent of Public Instruction, delivered a splendid address in which he called upon all for renewed efforts in the big drive. Leading officers of the Salvation Army from this section told of their experiences in the actual work of the Army, most of them having served from 20 to 35 years in the ranks of this great organization.

Among other prominent workers in the Home Service Appeal are: Ben L. Bruner, secretary of the state executive committee; John R. Downing, treasurer; Dr. W. S. Lockhart, chairman of the speakers' bureau; Judge Walter V. Gregory, chairman of the publicity committee; Mrs. C. Malcolm Bullitt, Mayor George Weissinger Smith of Louisville, Hon. W. P. Lincoln, Marvin H. Lewis, Alvin T. Hert, Dr. E. L. Powell, Dr. E. Y. Malins and Dr. Charles W. Welch.

### FRIENDLY HOME FOR WOMEN IS HELPED

Salvation Army Does Fine Work in Louisville Institution For Women and Girls.

The Susan Speed Davis Friendly Home for Women in Louisville is controlled and operated by the Salvation Army and is one of the institutions to be helped by the money raised in the Home Service Appeal to be made by the Salvation Army, May 10 to 20.

Four times as many cases were cared for in this Home during the past year and during the year before. This work has been carried on in the face of trying difficulties. It has been necessary to remodel and refurbish the Home, and in spite of this many have been cared for. Forty-three girls and young women were cared for there during the past month. Only six per cent of those cared for are over 18 years of age and many are under 14.

The Susan Speed Davis Home gives a welcome to all unfortunate girls and women, no matter from what part of Kentucky they come.

I read of Cardul, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when rundown. ## "Wonderful" Says This Ohio Woman

WAS IN DESPERATE HEALTH THREE WEEKS AGO, BUT IS NOW STRONG AND WELL

"Three weeks ago I was almost desperate over the dreadfull condition I was in, but today since taking Tanbie my health is just fine and my friends and neighbors are complimenting me on how well and strong I am looking," said Mrs. Ruthie Karinikowski, of 256 East Park St., Toledo, Ohio, a few days ago.

"It was seven years ago that my health failed," she continued, and in spite of everything I could do I kept growing worse until I could eat no longer. My stomach was so badly upset that even milk-toast disagreed with me most of the time and I simply had to force down enough to keep from starving. Many times while I was sitting at the table I had titling, dizzy spells and would have to get up and leave. I had awful cramps in my stomach and always felt nauseated after eating. My kidneys were badly disordered and I suffered agony with pains all through my back and sides. I was trying to have some dental work done but used to give it up, as I was so weak and nervous I was on the verge of a breakdown.

"Three weeks ago my son brought me a bottle of Tanbie and I began taking it and people praising it for the good it had done them that he wanted me to try it. So I began taking it and it doesn't seem possible that any medicine could do what it has done for me, after I had suffered so long. But my improvement has been so wonderful that today I am feeling better and stronger than I have in seven years and am just so overjoyed I am telling the whole neighborhood about Tanbie. I can just anything I want and digest it without a particle of trouble or without feeling nauseated or dizzy afterwards. My kidneys are in splendid condition and the pains in my back and sides have all left me. I am not the least bit nervous, am gaining weight every day and can run around Tanbie with all my heart."

Tanbie is sold in Mt. Vernon by Mrs. C. Davis, in Brodhead by the Brodhead Pucky, and in Livingston by R. G. Webb.

## TOUCHING TRIBUTE TO SALVATION ARMY

Kentucky Marine, Now Sleeping at Chateau Thierry, Sant' Beauriful Message Home to Loved Friend.

One dark night, shortly after the American marines had received their first baptism of blood at Chateau Thierry, a Kentucky boy, Gilbert Young, of Springfield, sat crooked in a dug-out writing a letter home. In it he described to one of his dearest friends and former teachers, Prof. George Colvin, now State Superintendent of Public Instruction of Kentucky, the terrible ordeal through which he had passed unscathed.

In one paragraph of that letter, now a precious and treasured memento, the young Kentucky marine told of the great work that had been done during those trying hours by the various welfare agencies. "But greatest of them all," he wrote, "the greatest and best of them all, God bless them forever, is the Salvation Army."

The body of Gilbert Young and the hundreds of other young Kentuckians who gave their lives for liberty during the world struggle will cause many a heart in the great Blue Grass state to pour out its sympathy upon the Salvation Army when money is solicited in the Second Home Service Appeal campaign May 10 to 20. The Salvation Army today as always stands ready to help wherever there is a need.

## SUGGESTION FOR A CAMPING TRIP

Buy a bottle of Chamberlain's Colic and Diarrhoea Remedy before leaving home. As a rule it cannot be obtained when on a hunting, fishing or prospecting trip. Neither can it be obtained while on board the cars or steamships and at such times and places it is most likely to be needed. The safe way is to have it with you.

VOL XXXIII

MT. VERNON, ROCKCASTLE COUNTY, KY., FRIDAY, MAY 7, 1920

NUMBER 33

Columbia Grafonola  
Price \$120.00

## A Columbia Grafonola you will be proud to Own

THIS imposing, clear-voiced Columbia Grafonola is worthy of a place in the most beautiful home. Its artistic design and satiny finish will harmonize with the finest fabrics and handsomest furniture. The range and power of its sweet, sonorous tone will do justice to the best of operatic records. This is the Grafonola we sell to families who want only the best of everything in their homes.

The price of this Grafonola is, of course, somewhat higher than that of others we sell. Yet at \$120.00 this splendid instrument represents a big musical value for the money. The purchase is usually a lifetime investment, and in such a purchase genuine quality is always the truest economy. It is like buying sterling silver, mahogany furniture, or oriental rugs. Such things cost more in the beginning but less in the end. And then there is a real satisfaction in owning anything of universally recognized quality.

We should like to have you hear this handsome, clear-toned Grafonola play your favorite music. We shall be glad to arrange for a private recital at any time.

Convenient terms may be arranged, and we shall be glad to advise you regarding the disposal of your present phonograph.

HON. RICHARD P. ERNST.

### ERNST ENTERS SENATE RACE

#### CANDIDATE NOTED FOR EXTENSIVE CHARITY WORK

#### EDUCATOR AND "Y" LEADER

#### Ardent Supporter of Movement To Wipe Out Illiteracy

It is hardly necessary to introduce Richard P. Ernst, whose candidacy for the United States Senate has just been announced, to the average Kentuckian.

His name has appeared throughout the state in connection with charitable movements, war campaigns, church and missionary work and drives to aid the schools and school teachers, especially in the mountain districts.

His charitable work, aggressiveness and progressiveness in civic movements and personal popularity have made him one of the most generally liked men in Northern Kentucky.

His extensive work in the interests of his state and its people began immediately upon Mr. Ernst's graduation from the famous Old Centre College, Danville, where he was valedictorian of his class.

Admitted to the Bar.

He was admitted to the bar in Kenton county after examination by Senator John W. Stevenson and Judge William R. Arthur and since has practiced law in Covington and Cincinnati with the same aggressiveness and success that have featured every movement worth while into which he has directed his efforts.

Gazing over the long list of his activities one can see that he continually has enlisted himself in movements in which he could accomplish best results for the people.

As trustee and a member of the Executive Committee of Old Centre College, Kentucky State University at Lexington, and of Pikeville College, his excellent advice and assistance in matters of importance have been extremely beneficial to the students.

Wars On Illiteracy.

Recently he has taken a deep interest in the campaign teachers are waging for increased salaries and has been taking active steps to secure better pay for the teachers of the state and for the professors in our colleges and universities. The mountain schools especially appeal to him and he has been an ardent supporter of the movement to wipe out illiteracy and to offer residents of the mountain districts better facilities for education.

Mr. Ernst's continuous help has been received by the churches of the state, regardless of denomination. He is an elder and succeeded his father as superintendent of the Sunday school, their terms of service covering a period of nearly 80 years. He has been looking after educational and missionary work in the mountains, as chairman of the State Committee of his church, and has succeeded in more than doubling the amount heretofore given for this purpose.

And his work does not end there. He is president of the Covington Y. M. C. A. and a member of the National War Council. As head of the Y. M. C. A. he has been mainly instrumental in erecting one of the most complete and modern buildings to be found.

*Son in Active Service.*

He was active in every form of war work and gave continuously of his time, labor and money, whenever called upon. His only son was serving at the front in France, as a captain in the regular army, when the armistice was signed. He had entered the army as a private during the Mexican trouble and later passed his

For some time past it has been

friends throughout the State that I would be a candidate for the Republican nomination for United States Senator.

I now desire to make public announcement of that fact.

I keenly appreciate the responsibility and importance of this high position, and, in the event of my election, I will give to the duties of this office the best there is in me and will represent the people of Kentucky and of the United States to the best of my ability.

I desire, also, to take advantage of this opportunity to express my sincere thanks to the many Republicans throughout the State who have, without solicitation on my part, so kindly and generously offered me their support.

Examinations at Washington, winning a second Lieutenant. Mr. Ernst's son-in-law, John P. Darnell, of Flemingsburg, volunteered as a private and was in active service at the front.

His wide and extensive business and professional experiences, as counselor and advisor to many large financial and manufacturing concerns, has been of unlimited value to his state and community, as he has been called upon many times to give advice when matters of big moment were being considered.

Mr. Ernst's record of service in the Republican party is a long one.

*Good Republican Record.*

Beginning as Comptroller in Covington, he was kept in office by members of both parties until he insisted on retiring. For many years he was on the State Central Committee and for four years served as its chairman. He has represented his district a number of times at National Conventions and also has been one of the "Big Four" from his state. It was he, who, while state charman, established state headquarters at Louisville, since continuously maintained by the party. He also has been a liberal financial supporter of the party during all three years and one of its wise counsellors.

Mr. Ernst's father was William Ernst, a banker at Lexington, subsequently Covington. His mother was Sarah A. Butler, a Jessamine county girl.

It was through Mr. Ernst's instrumental that the Covington Industrial Club was developed and through his efforts that the campaign to erect a magnificent headquarters for this remarkable civic organization was suc-

cessful.

We wish to express our sincere thanks to relatives, friends and neighbors for the many acts of kindness and sympathy extended to us during the sickness and death of our dear husband and father, Henry L. Tharp, also for the many beautiful floral offerings.

#### ABOUT RHEUMATISM.

People are learning that it is only waste of time and money to take medicine internally for chronic and muscular rheumatism, and about ninety-nine out of a hundred cases are one or the other of these varieties. All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 35 cents per bottle. Large size 60 cents.
